CHORE HOME MAINTENANCE HELP FOR SENIORS

Providing indoor and outdoor home chores for Cleveland Senior Citizens.

What is Chore?

Chore is a program for Cleveland residents who are age 60 or older and who need help with maintaining their homes or apartments. Chore workers are employees of the City of Cleveland who will come to a senior's home and perform chores such as:

- General and heavy house cleaning
- Lawn mowing
- Removing or installing storm windows
- Limited painting
- Simple home repairs
- Carpet cleaning
- Installing smoke detectors

Supervised Court Community Services (CCS) teams assist the Department of Aging with lawn mowing. CCS also shovels snow from walks and steps for Chore clients who need to leave the home for medical care or who need to have a care provider enter the home.

Who is Eligible?

Priority is given to frail, isolated, disabled and low-income persons (using HUD guidelines). There is no charge for this service, however, donations are accepted. The workers do not accept tips. Donations are turned into the office and are used towards providing future services for seniors. The Cleveland Department of Aging provides this service to help our elderly neighbors

maintain their independent living styles and to improve and maintain the appearance of our City and its neighborhoods.

If you or someone you know needs assistance with home maintenance, call 216-664-2833 to see if you are eligible for Chore services.

Your request will be scheduled for the first available opening. Some requests may require an on-site assessment before work is scheduled.
